A Strong Start to the Year!

Dear FAM-ily: Classes at Instituto Privado Mixto "José Rodrigo Pérez y Pérez" have officially begun! The start of the school year was smooth, and we are excited to embark on another year of growth, learning, and opportunity. Our teachers and staff spent several days preparing for the new school year, ensuring that students have the best possible environment to thrive.

Thanks to our incredible donors, we have secured the funds to provide students with school supplies for the first six months. This week, we will be distributing these much-needed materials—stay tuned on social media as we share photos of this exciting moment!

Every donation brings us closer to making these labs a real learning resource for our students!
