

# March in Review: Building a better future!

**Dear FAM-ily:** March was a month of preparation, steady growth, and laying the groundwork for future impact. From classrooms to communities, we've continued working toward our mission to provide transformative education in rural Guatemala. Here's a look at the progress we've made together.

## BEAUTY SHOP CAMPAIGN

We're proud to launch a local fundraising campaign in Guatemala City! A beauty shop chain will now feature acrylic donation stands with QR codes, making it easy for anyone to support FAM while going about their day.

This is part of our effort to engage Guatemalan donors in sustaining the programs that uplift their own communities.

## COMPUTER & SCIENCE LABS

Our students in rural Guatemala are eager to learn—but they're missing the tools to do it. With just one working computer and no fully equipped science lab, their education is limited.

Help us close the gap, we are fundraising to equip the lab and give these students the education they deserve. 🎯

## STAY CONNECTED

Follow us on social media to stay updated on our progress

## FIRST ACADEMIC TERM COMPLETED!

Congratulations to our students who just completed the first of four academic terms in 2025! From science experiments to group projects, we've witnessed hard work, curiosity, and collaboration bloom in every classroom.

We're so proud of their accomplishments—and grateful for the support that helps keep them learning.

## SPREAD THE WORD & SHARE OUR MISSION!

Please help us grow our community of supporters by sharing this newsletter and our social media posts with friends and family who want to make a difference. Every act of kindness helps fuel our mission and brings lasting change to students in rural Guatemala.

- ➔ Forward this newsletter to someone
- ➔ Tag a friend on our social media posts
- ➔ Talk to someone about why FAM matters to you

## THANK YOU FOR SUPPORTING US

Every donation, every share, every act of kindness moves us forward. Whether you're a new supporter or have been with us since the beginning, thank you for helping us create opportunities through education.
